### RE: NOTICE OF DATA BREACH INVOLVING YOUR HEALTH INFORMATION

Dear Mr. Roberts:

Evergreen Healthcare System is committed to protecting the confidentiality and security of our patients' information. We are writing to inform you about a recent data security incident that may have involved some of your protected health information.

#### WHAT HAPPENED

On April 18, 2025, we discovered that an unauthorized third party gained access to an employee email account between April 10-15, 2025. Upon discovery, we immediately secured the account, launched a thorough investigation with cybersecurity experts, and notified law enforcement.

#### WHAT INFORMATION WAS INVOLVED

The affected email account contained the following types of information related to your healthcare:

- Full name and date of birth (08/23/1962)
- Medical Record Number: EHS-78245912
- Health insurance information: Medicare #8752A69JK21
- Clinical information related to your diabetes care, including recent A1C results (7.2% from your 03/22/2025 visit)
- Medication information including your current prescription for Metformin 1000mg

#### WHAT WE ARE DOING

We have taken the following steps to address this incident:

- Secured all affected systems and reset account credentials
- Engaged forensic experts to thoroughly investigate the breach
- Implemented additional security measures including enhanced email filtering

- Provided additional security awareness training to our staff
- Offering you 12 months of free credit monitoring and identity protection services

## **WHAT YOU CAN DO**

We recommend that you:

1. Enroll in the complimentary credit monitoring service using code: EHS-2025-04-BR
2. Review your Explanation of Benefits statements for suspicious activity
3. Consider placing a fraud alert or security freeze on your credit file
4. Monitor your financial accounts and credit reports for suspicious activity
